

## **TESTIMONIAL FOR LIAM WALLACE**

To say working with Liam was a pleasure, would be an understatement. Liam has an incredible talent for composing music that perfectly captures the emotion and tone of a scene and translates it into a beautiful and evocative musical score. Working with Liam is always a collaborative and enjoyable experience. He went above and beyond to ensure that the music perfectly complemented the visuals, and took the time to really understand the story we were trying to tell.

The thing that sets Liam apart is his versatility as a composer. He has a unique ability to seamlessly blend different genres and styles of music, creating a score that is both cohesive and dynamic. He was always receptive to our notes and suggestions, and was able to make changes and adjustments to the music in real time to better align with our vision for the film.

I cannot recommend Liam highly enough. His talent, dedication, and professionalism are truly second to none. He's an incredibly talented composer, a consummate professional, and a joy to work with. I feel incredibly lucky to have had the opportunity to collaborate with him on my latest film, and I look forward to working with him again in the next to come!
